

RACE TO READ

“Literacy is the key to our fast paced world!”

How the Program Works?

At the teacher's convenience, the Speedway will come into the school and present the program to the classes along with a Driver and their Stock Car. Log sheets will be distributed and then the program will run for two weeks beginning in May. The students will be expected to record the minutes spent reading at home on a daily basis and parents will sign off on the minutes each day.
